

Cake Case Tree Decoration

For this activity you will need

- Cake cases, coloured or plain
- Glue/double sided tape
- Pens/pencils to decorate if using plain cases.
- Glitter/stickers/sequins
- String/Ribbon

Adult led activity

Cut or fold cases into triangle shapes of varying sizes.

Stick the cases together starting with biggest and work up until you are happy with the size.

Decorate the tree.

Make a loop and add string to the top and your decoration is ready.

Child led activity

Have a model or photo for inspiration.

Gather a variety of cake cases different sizes, colours, some cut into sizes , some already folded (maybe use paper plates for a bigger decoration)

Allow to create, offering support/guidance if requested.

Once completed ask if/where they would like to add string and assist in doing this final part.
