

Hand print Reindeer

For this activity you will need

- Paper
- Paint
- felt tip pens or pencils
- String/Ribbon
- Scissors

Adult led activity

Start by painting hand and printing onto paper, allow to dry before moving on. Use the pens/pencils to add detail.

Cut around the reindeer and stick onto another piece of coloured paper/card and cut around the shape again.

Then put a hole in the top and create a loop with the string or ribbon to hang.

Child led activity

Have a picture or model on table for inspiration.

Gather all resources, offer paint choices or pencils to draw around hands instead.

Allow to paint hands any colour or draw around hands whichever they choose.

Allow to print as they choose (the handprint doesn't need to be perfect)

Then once dry allow to add details add some further resources stickers, glitter for further inspiration.

Finally help to cut around the shapes if they need and add a loop to hang.
